August 15 & 22, 2010 Feast of St. Mary the Virgin & 13th Sunday after Pentecost

## From the Rector: Of Orthopraxis

I was forwarded an interview conducted by *Interfaithnet*, a web site that explores matters of philosophy and faith in a post-modern context. The interview was with Sam Harris, a noted ethicist and professed opponent of organized religion. He states that church doctrine and dogma are broadly erroneous and in some cases downright dangerous (justifying murder, war, child abuse, slavery and other such wrongs); that the churches' insistence on an irrational belief system robs us of our rational grasp on reality. Marx called organized religion an "opiate." I have to admit that I agreed with much of what Mr. Harris had to say.

I am reminded of a conversation I had with a young man a couple of years ago. He told me he was Baptist, but had problems with some of the Baptist theology and doctrine, and wanted to know more about the Episcopal Church. I thought, gee, this is right up my alley, but no sooner than the conversation began, the young man said, "Of course I do believe the Bible is to be taken literally." I realized this conversation might not prove as fruitful as I had imagined. But his insistent question, one he asked several times was, "I just want to know what Episcopalians believe." I said, "that depends on which Episcopalian you're talking to." He didn't like that answer, but I went on to say that we do have our creeds, but they are less a confession of faith, a recitation of belief, and more an acknowledgment or engagement of the ancient lore of the church as it has been handed down through the generations... still open to speculation and interpretation given the knowledge we have collectively gained and experienced over the life of the church. I've not seen him since.

Belief is never in stone. Belief changes as our world changes. Belief is open to discovery and the transforming power of the imagination. Belief does not oppose rationality, or the natural order in its becoming, but embraces new knowledge born of experience. Karen Armstrong, a formidable scholar of religion notes that the preoccupation with "right belief" (orthodoxy) in religious circles, particularly in the West, is a decidedly modern concept...that in the early church the faithful were first and foremost concerned with "right practice" (orthopraxis), that it is in fact the enlightened practice of the faith that forms belief. The writer of the Gospel of Matthew proposes as much. So a spiritual life is one that is lived for the other... a life of generosity... a life of compassion... a life lived justly... a life of loving sacrifice... a life of peace making... and perhaps in defense of the institution: ...we people of faith need a place and a time to gather and celebrate this life we share together... remembering our lore handed down in prayer, praise and song... borne by our art... the art of imaginative orthopraxis... enlightened practice of the faith that will forever shape belief... into belief worth believing.

## Finance Notes

Pledge collections have fallen behind somewhat, as they do sometimes during the summer months. At the same time, a few expense items are running higher than budget—most notably utilities. Please help All Saints avoid a financial pinch by making sure your pledge is paid and up to date!

Thanks, *Clark Kelly, Treasurer*

## We're collecting Box Tops for Education

for Phillips Preparatory School, a magnet middle school in Mobile. Many food products have this coupon on the packaging; if you cut them out and turn them in, the school makes

money to buy various things that they need. (A list of some of the products with these coupons is posted on two bulletin boards in the Parish Hall.) Since Phillips is not a Title I school, it does not receive any Federal money and therefore must earn the money it needs.

In the five years of being a Box Tops school, Phillips has earned more than \$28,000! Several All Saints children are currently attending Phillips, so let's help them out with this program! Please collect these Box Tops and bring them to church with you on Sunday; a box is on the volunteer's desk to put them in. Thanks for your help!

## Royal School of Church Music

Now is the time to sign up for All Saints' Training Choir. The Choir is open to 2<sup>nd</sup> grade and above. Rehearsals are each Tuesday 3:30-4:30 beginning September 7.

The VOICE for LIFE program of RSCM provides a framework for choral singers to develop their vocal skills, their musical understanding, and their knowledge of the repertoire and the liturgy of the Episcopal Church. The Training Choir sings at various times during the Liturgical Year with the Girls' Choir and Parish Choir.

Contact Jeff Clearman ([jeff@allsaintsmobile.org](mailto:jeff@allsaintsmobile.org) or 438-2492) to sign your child up today!

The Girls' Choir has changed rehearsal day and time. Rehearsals will be on Tuesdays, beginning Sept. 7 at 5:30pm.

**Our prayers are offered** to the family and friends of Muriel Cherney, who died on August 1. A memorial service for Muriel will be held at St. Paul's, Daphne, this Saturday, August 14 at 10:30am. Muriel helped found the Bay Area Food Bank, served at Loaves and Fish, and was a hospice volunteer at Mercy Medical. *Let light perpetual shine upon her.*

## August Food Share is the 20th and 21st.

Beginning this month, our regular weekend for Food Share changes to the third weekend of each month. Mark your calendars for Friday, August 20 at 5:30 p.m. to assemble the food bags and Saturday, August 21 at 7:30 a.m. to distribute the food. Please join us in this great ministry!

## Work Day, August 28

On Saturday, August 28, everyone is invited to come help get the church grounds ready for Fall. The Work Day will begin at 7:30AM in order to beat the heat. Bring your work gloves, a hat and some water. All are welcome!

P.S.—If anyone has a truck and is available to help haul mulch to the church, please call Katharine Flowers at 436-8932.

## Do you have a story to tell?

Danny Moreau is looking for volunteers who would be willing to talk to an audience about their experiences as victims of a drunk / intoxicated driver, and how those incidents have changed their lives. Volunteers could be parents or siblings of the victim as well. It is hard to get speakers to talk about this subject, so Danny will be very appreciative of any help. Call him at 272-0041 if you have any questions.

## Inquirers' Class to begin September 27

Inquirers' class is designed to teach newcomers to the church, and those who would like a "refresher course," Church History including the English Reformation and the formation of the American Episcopal Church, Liturgy and the Book of Common Prayer, contemporary issues facing the church and more. This class will be led by the clergy but will be in a conversational setting. Inquirers' class also prepares candidates seeking Confirmation in the Episcopal Church (the "official" way to join); the service of Confirmation takes place here this year on November 7 during the Bishop's visitation.

We would like to schedule these meetings for Mondays, beginning September 27 at 6:00 p.m. and running the next 5 successive Monday evenings. We will begin with a light supper, followed by class time and finish by 7:30pm. If Mondays are not good days to meet, please let us know which days would be convenient for you and we will consider an alternative. There will be a sign-up sheet for the class at the All Saints Ministry Fair September 12. In the meantime, if you have any questions please give the office a call (438-2492).

The Episcopal Church welcomes you

## Sunday School begins September 19

We are excited about Sunday School for our children this year! We have several exciting new curricula available that will keep things fun and interesting during the year... great art projects, some memory work and more, based on the lectionary and the seasons of the church. More on that later.

Renea Greene has graciously offered to head up Sunday School, but she needs teachers and helpers to commit to a reasonable amount of time (not necessarily for the full school year). We also ask parents to please make their commitment to Sunday School as well by consistently bringing their children on Sundays. Our children learn better with the help of their peers, in a learning community, and nothing is more defeating to a teacher who has prepared a lesson than for no one to show up! Please help us make this a banner year for our children.

Sunday School is offered for pre-schoolers (age 4) through 12th grade. There is a nursery available for infants through 3 years. Registration will take place at the Ministry Fair between services in Stirling Hall on September 12.
